

YOUR NEW BRANCH IS RIGHT AROUND THE CORNER WITH A NEW ANGLE ON LOCAL BANKING.

The place you bank may change, but now your bank is even closer to your goals. As FirstBank and Franklin Synergy fully integrate into one team, a handful of branch locations will be consolidated. To assist our customers, we have put together this handy Merger Branch Guide below. Please review the guide to see if your current bank branch will be impacted. If your branch is closing, your accounts will be transferred to the FirstBank branch nearest you. They will move automatically and no action by you will be needed. If you have a safe deposit box at one of these locations, please watch your mail for additional information.

Both banks will be closed on Monday, October 12 in honor of Columbus Day. On Tuesday, October 13, we will welcome Franklin Synergy customers into the FirstBank family when all systems convert to FirstBank. While you'll be banking with the same people you know, we can't wait to get to know you, and show you how FirstBank has stepped up community banking.
