

2023 FirstRewards Statement Cycle & Qualification Periods

The FirstRewards 2023 statement cycle will begin on the first business day of each month and end on the last business day of each month. Qualifying transactions must post to the FirstRewards account during the monthly qualifying period in the corresponding statement cycle. Transactions posted to the account after the last day of the statement cycle will count toward the next statement cycle and qualification period. Transactions may take one or more business days from the date the transaction was made to post and settle to your account depending on when the merchant sends the settlement information to FirstBank.
